

INTRODUCING THE NEW INTERACTIVE DIGITAL NOTICEBOARD

CREATE CONNECTIONS AND DRIVE TENANT ENGAGEMENT

Intratone's Interactive Digital Noticeboard is designed to make communicating with Housing Association tenants **faster, easier, and more inclusive**. Display important information, such as maintenance schedules or repair notices, as well as public health information and general announcements, via the **secure remote online management system**.

An efficient way to **keep tenants informed** that also reduces waste, the Interactive Digital Noticeboard removes the need for paper-based notices, which can often be lost or mistakenly taken down. Plus, it **reduces the need for time-consuming site visits**.

EFFICIENT, ENGAGING AND EASY TO USE, THE INTERACTIVE DIGITAL NOTICEBOARD OFFERS:

- **15-inch screen** to share updates
- Accepts PDF, Word, or customisable templates (provided free of charge in portal)
- **Vandal-resistant**, 10mm safety glass and security screws
- **Scroll arrow keys** to navigate through notices or to select survey response
- Built-in **proximity reader** for use with secure resident key fobs to confirm survey responses
- **GSM technology** – immediately update notices
- **Remote online management** system
- Fast, easy installations
